

The Autism Society Inland Empire

8th Annual Holiday Party

Merry Grinchmas

Sun, Dec 2, 2018 2:30-5pm

Sky High Sports, Mira Loma

The holidays are a fun time of year for most families, but for families with autism it can be particularly stressful. We all need places where we feel unconditional acceptance and support. Our Annual Holiday party gives families a chance to celebrate in a safe atmosphere with caring, understanding people. This year we are having our 8th Annual Holiday Party on Sun, Dec 2nd from 2:30-5pm at Sky High Sports in Mira Loma – a giant trampoline park large enough to accommodate the more than 900 people who attend. It is open to children, teens and adults with autism, their siblings, parents and even extended family members to visit with a special Santa, enjoy games, snacks, activities and have a lot of fun.

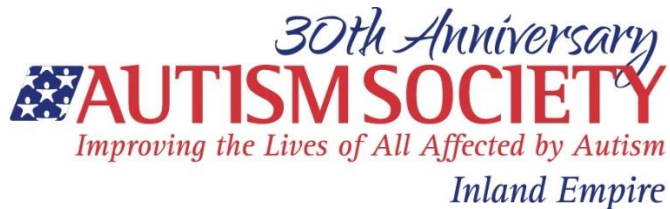

This year's theme is "Merry Grinchmas" complete with the Grinch! As another surprise for our families, we are partnering with another non-profit Music Changes Lives and will be giving toys away to all the children who attend (approximately 500-600 children with autism and their siblings)!

Sponsors can choose to make a donation, or if they would like, sponsor an event or activity. You can choose to have volunteers from your organization run one of the game booths, with your resource information close by. It's a great opportunity for our families to get to know your business personally.
