# 2020 EXCELLENCE IN INCLUSION CHAMPION AWARDS

This year, our collaborative would like to recognize and celebrate those in our Inland Empire community who embody and put our mission into action. These awards recognize exceptional contributions of individuals and organizations and will be presented at various events throughout the year.

Inclusion in Community Programs Can Mean:

- Individuals with disabilities in the same community programs if they did not have disabilities.
- All programs, in which typically developing individuals participate in, accessible and available to individuals with disabilities and their families.
- Providing opportunities for social relationships between individuals with and without disabilities.
- Teaching all individuals to understand, accept, and value human differences.

**Categories:**

- Social Inclusion Award
- Faith and Belief Champion Inclusion Award
- Business Inclusion Award
- 2020 Leadership Award
